

Over 50 years ago

Relais & Châteaux was first conceived as a travel itinerary from Paris to the South of France

with stops at charming and unique properties along the way. This travel route was affectionately known as La Route du Bonheur – the route of happiness.

For the first time, we are proud to introduce our own Northeast Relais & Châteaux Route du Bonheur. This journey will take you to some of the most unique and fascinating properties on the eastern seaboard—each offering an unforgettable sense of place, inspired by the history and culture of the region. May our Northeast American "Route of Happiness" stimulate all of your senses and provide you with enchanting memories to last a lifetime.

*Bon Voyage and welcome to the magical world of Relais & Châteaux.*
